**VOYAGO | TRANSDEV SUPPORTS PUBLIC TRANSIT WORKER APPRECIATION WEEK
MARCH 12-18 2023 -**

HELP US REACH 10,000 THANK-YOU'S

(LONDON Ont, MARCH 2023)

Voyago | Transdev Transit teams are committed to ensuring Ontario's communities remain connected to their family, friends, workplaces, schools and support services all across the province. During Public Transit Worker Appreciation Week, Voyago | Transdev will be recognizing our team of more than 400 employees for the safe, professional, and caring service they provide to nearly 50,000 public transit riders each and every day.

Help us Say Thank to Ontario's Public Transit Workers by sharing in our message of gratitude as we honor these special people in their mission for Access to All.

In support of Public Transit Worker Week 2023, we are striving for 10,000 Thank you messages delivered in our virtual Thank you Message to Public Transit Workers. We are inviting Riders, Transit organizations, Communities and Transit supporters everywhere to join us and acknowledge the efforts of Public Transit Workers by submitting your special message to our virtual Say Thanks E-card.

About Voyago Transit

Voyago Transit is a leading Inter-Community, Rural Transit and Contract Mobility Services provider operating across Ontario since 1979. Voyago Transit is a division of Voyago a subsidiary of Transdev Canada and provides an extensive range of mobility solutions serving Public Transit, Education, and Healthcare sectors across Ontario, Canada and the globe.

About Voyago

Voyago started out in London, Ontario some 40 years ago, serving local travel and delivery needs to the community, local airport and those in need of transportation. Today the company operates across Ontario and serves over 50,000 passengers every day with Student Transportation, Non Emergency Patient Transfer, Charter Services, and Community Transit.

About Transdev Canada

As a global mobility operator and integrator, Transdev empowers people to move freely. Transdev transports 11 million passengers around the world on a daily basis thanks to its various efficient and environmentally friendly modes of transport, which connect individuals and communities. In Quebec, Transdev represents 1300 women and men serving people, promoting sustainable mobility for the common good.
